**Only requirements:** You must be able to tune your instrument (electronic tuning devices welcome) and change smoothly between G, C, D, and A. (Fiddles and basses need to know which notes work with which chords) Fast playing is not expected, nor is the ability to solo required.

## Pete Wernick ("Dr. Banjo", originator of Banjo Camps and Bluegrass Jam Camps)

has created a method that has taught thousands nationwide how to enjoy bluegrass jams at their own level.

Wernick Method teachers are certified by Pete based on knowledge of bluegrass, teaching ability, and proper use of the Wernick Method.

# Wernick Method: What do students say?

"It was exactly what I needed. I will now have the courage to actually take my banjo with me to jam sessions instead of just hanging around listening."

"This is one of the best things I've done for myself. I have so much more confidence. I feel much more relaxed when I play and sing."

"I liked realizing I could sing"

"My teacher made the class warm, comfortable and not intimidating. I learned more than I expected and even dared to lead a few songs."

"I learned more in this jam class than I have in the 4 years I've had my banjo."

"I knew nothing about playing bluegrass before camp and I also believed I couldn't sing. All that has changed!"

"This class was life changing! My wife was just amazed at how much she learned. And I felt my playing changing for the better "
