**Debbie Wagner** was introduced to guitar in grade school and quickly developed a love for the instrument. She has led jams for over 10 years, teaches guitar to beginning adults, and performs in a duo in her local community for charity events. Bluegrass became a favorite in 2013 at her first bluegrass camp, which she attends each year. Debbie is thrilled to introduce the Wernick Method to the Appleton area.

## Pete Wernick ("Dr. Banjo", originator of Banjo Camps and Bluegrass Jam Camps)

has created a method that has taught thousands nationwide how to enjoy bluegrass jams at their own level.

Wernick Method teachers are certified by Pete based on knowledge of bluegrass, teaching ability, and proper use of the Wernick Method.

**DO YOU QUALIFY?** It's easier than you may think! If you play guitar, mandolin, banjo, fiddle, bass, or dobro... you can be part of a bluegrass jam.

**Only requirements:** You must be able to tune your instrument (electronic tuning devices welcome) and change smoothly between G, C, D, and A. (Fiddles and basses need to know which notes work with which chords) Fast playing is not expected, nor is the ability to solo required.
